PASSENGERS.

has had the pleasure of describing, on different occasions to the public, left of Europe yesterday to be trained under master engravers as a Hawaiian Government pupil.

Word was telephoned to the Station last evening that a Chinaman was found intruding on the premises of Hon. Sam. Parker. Two mounted police just setting out on their rounds were ordered to go to the place. They found that Mr. Parker's servants had caught the Chinaman in the harrises room. He said he went there to sleep. A charge of vagrancy was entered against him at the Station no locking him up.

When the Kaimiloa was hauled up on the Marine Railway and her shaft examined, it was found that the trouble was a broken keys—a seeming trille, yet feature in the matter of the station of the control of the corner of the control of the corner of the corner
